To Whom It May Concern,

The time has come to begin preparation for *Greg's Restorations Annual Swap Meet & Car Show*. This years annual event will be held on Saturday April 29,th 2023 ,located at Felton Field in Barre,MA. We are expecting anywhere from 200-300 classic cars,trucks,motorcycles,and vintage equipment.

Our past event we provided each show participant with a promotional gift bag,and there was nothing but over whelming positive responses.We are once again asking for donations of promotional items to be handed out to all the show participants.Also,we are looking for any merchandise and/or gift certicates to be raffled off.This year we are supporting a scholarship fund to be given to a student in memory of Dave Hobbs who was a dedicated teacher and mentor in the automotive field.

Throughout the day we had over 2500 spectators,and the number continues to grow every year. This is a great opportunity to promote your business and connect with your surrounding communities.Saturday,April 29 th,2023 will be a fun filled day of classic cars,trucks ,food and entertainment.

If you have any interest in donating for the event ,please conatct our office at 508-886-6400.Thank you for your time and consideration.

Sincerly,
